

The National Veterans Wheelchair Games

Started in 1981, The National Veterans Wheelchair Games promote rehabilitation and wellness through rigorous sports competition. The largest annual wheelchair sports event in the U.S., it gives newly disabled veterans to opportunity to gain and enhance sports skills while introducing them to experienced wheelchair athletes. Veterans compete according to their ability in such sports as basketball, softball, track and field, rugby, slalom, and many others. The spirit at the Games inspires every veteran to achieve his or her personal best.

The Games depend on volunteers to make the week successful for veterans!
